

Thank you

When Christians meet together they say 'thank you' to God for Jesus by sharing a special meal of bread and wine. Sometimes this meal is called the 'Eucharist', which means 'thankful'.

Make a cup of thanks.

Draw the outline of a cup on a piece of paper and write the word 'thanks' inside as many times and in as many different ways as possible. This activity could also be done on the computer, using different fonts.

Christians believe all good things come from God. They say thank you to God when they pray. Draw the outline of a present and inside add something that a Christian might say thank you to God for. Attach a label to your present. What would you write on the label?

Think about what you are really thankful for.
